Date: 15/06/2026**Confirmation Letter of Internship at Vibrant Techlab**

Respected Ma'am/Sir,

We are pleased to inform you that the following students of your esteemed institute have been permitted to undertake their internship training at Vibrant Techlab.

The students will receive practical training in Python & Django, along with assignments and project work under the guidance of our mentors. They will spend 12 hours per week, including learning, assignments, and project development activities.

Upon successful completion of the internship program, Vibrant Techlab will issue an Internship Completion Certificate to the students.
