Respected Ma'am/Sir,

We are pleased to inform you that the following students of your esteemed institute have been permitted to undertake their Project training at Vibrant Techlab.

The students will work on the **Travels with Strangers Project** using **Php**. During the training period, they will receive practical guidance from our mentors and work on assignments and project development activities. They will spend 14 hours per week, including learning, assignments, and project work, to gain hands-on experience and enhance their technical skills.

Upon successful completion of the Project training, Vibrant Techlab will issue an Completion Certificate to the students.
